GENERAL CONTEST INFORMATION

The contest is open to any unmarried young lady who is 15 through 23 years of age. The contestant cannot be married, have ever been married, or have had a child or be with child. Contestants cannot be a professional model (that is to earn your living by modeling). Each contestant will be known at the festival by the name of an area lake of her choosing. Lake names are awarded on a first come basis. A school, sorority, community, Chamber of Commerce, Lodge, Jaycees, Lions, business or similar organization must sponsor each contestant.

PERSONAL INTERVIEW

On contest day, please come dressed in job interview attire for the interviews that will start shortly after 10 AM. Dressing room facilities will NOT be available until later in the day. You will want to project a professional image to the judges. Be sure to let your personality shine through being friendly and making eye contact with the judges. Your time with the judges will go much easier if you practice good communication skills with the judges.

THEME WEAR

Contestants will appear in theme wear that best suits their personality fitting with the theme. Theme wear should be designed to show your personal style and creativity. Outfits with low cut bodices are not acceptable and will cause loss of judging points. The contestant should be comfortable and the outfit should be modest. You will be required to decorate your own collection bucket for money from the audience for your People's Choice Theme Wear. The audience will have the opportunity to place cash in the bucket of their choice. The Contestant with the most cash will be awarded the People's Choice Theme Award. Contestant will receive ½ of the cash collected over \$5.00, back in the form of a check from the North Webster Lady Lions. The Lady Lions Club will retain the other half of the money to help with Pageant expenses.

GOWNS

Contestants will appear in full-length evening gowns. The gown should reflect the contestant's individual personality. It is important that the gown be comfortable in order to maintain poise and confidence. No hoop skirts! The stage is crowded and hoop skirts can make movement very difficult thus reflecting poor poise. Gowns with skirts split **above the knee and/or low cut bodices are not acceptable**. These features will cause loss of judging points. Please keep in mind that the spotlights are very bright. Please bring a slip, particularly if your gown is either sheer or light in color. Neutral under garments are strongly suggested.

MODELING INSTRUCTIONS

Walking and turning instructions for theme and evening gown competition will be given during the practice session prior to the judging. Remember good posture is a must. Please practice walking slowly and gracefully. Practice walking in the shoes you plan to wear before the contest so you can put your best foot forward. Practice smiling because a sincere and easy smile encourages people to smile back.

MAKE-UP

Make-up is recommended for the competition, even if you normally do not wear makeup. Because of the lighting, you may look pale if you do not wear some. However don't overdo with excessive makeup or tanning. Perhaps your hairdresser or a cosmetologist could help in this area before the day of the contest.

HAIR

Please keep in mind there are only 15 to 20 minutes between the theme wear and evening gown competition to change thus there will not be much time to deal with a fancy “do.” The judges want to see what you really look like and will be looking for a natural and lovely looking contestant.

JEWELRY

Minimal jewelry such as small earrings, or a lightweight necklace could be worn. Don't let your jewelry outshine you.

JUDGING

Judging for theme wear and evening gown competition will be on a point system based upon 2 through 10 points for each of the following four categories:

Theme Wear and Evening Gown judging will be based upon the following four categories:

1. Poise and self-confidence;
2. Stance and hand position
3. Carriage
4. Appearance

Personal interview points will be based upon the following four categories:

1. Attitude
2. Ability to converse
3. Friendliness
4. Poise and self-confidence.

Ken Strong Productions Video/Photography information

Dear Contestant,

The Queen of the Lakes Pageant includes a significant amount of multi-media enhancement with videos featuring each contestant. These interludes will include video interview segments combined with personal photographs and will play in the background while you are on stage during the pageant. This gives the audience a chance to learn more about you, in your own words. You are welcome to provide photographs or short home-video segments that you would like included into your personal montage. If you speak of a specific person or activity during your interview, we strongly encourage you to provide photographs of the person or event to be included in your finished video.

In addition to the video interviews for this year's Queen of Lakes pageant, Corie Strong Photography will be providing a professional digital photography session for all Queen of Lakes contestants. This will assure that all contestants have professional images as head shots for the local news media and professional images to incorporate into the video montages during this year's pageant. The cost for photography has been included into this year's sponsor fees. Each contestant will receive a flash drive containing all of their own, professionally edited, digital images following the pageant. Contestants are more than welcome to provide their own headshots or photographs, as well, if preferred.

Your video interview and photo session will take place on Saturday June 4, 2022 immediately before or following the Queen of the Lakes contestant meeting at 10:00 a.m. Feel free to bring a change of clothes if you would like to change up your look between the video and photo sessions. Those who cannot make the June 4th meeting will have re-schedule opportunities.

The Ken Strong Productions studio is located at 1700 Kimal Trail in Warsaw, IN 46580. Kimal Drive is accessed off of Anchorage Road, directly across from the Warsaw Goodwill store. Proceed through the private lane gate onto Kimal Drive and continue for 1/2 mile. Approximately half way down the lane you will encounter a blue "KSP Cinematic/ Corie Strong Photography" sign on your left. Take this left onto Kimal Trail, which will lead you out onto the peninsula and to the home Studio. You will pass a large production warehouse on the right, just before the house. The address may also be found on Google maps.

Please come prepared for the filming and have the attached video consent form completed. Also, if you have photographs or videos you would like to submit, please bring them along with you to the interview. Materials should be in a digital format as described below:

Photographs: (recommended)

We recommend providing 6-10 of your favorite photos, which may be provided in any digital format. (The larger the file, the better) These photos may include you with family and friends or just your favorite individual portraits. Printed photos can easily be scanned at any CVS, Wal-Mart, or similar photo center and burned to a CD. Photos should not be copyright protected by any other photographer and should not contain copyright "watermarks" of any kind.

Video Clips: (optional)

*Feel free to provide video clips, displaying your talents, in digital format (preferably an **MPEG**, **AVI**, **WMV**, or **MOV** files). Clips should not be any longer than 3 minutes in length. Remember, only 3-10 second clips will be used so, if possible, narrow the video down to your favorite section.*

All digital media will be copied to the editing hard drive at the time of your interview. Therefore, we request that such files be brought on a CD, flash drive, or similar external USB media storage device. Furthermore, please place all digital files in a single "folder" on the storage device and have the "folder" labeled with your name for quick access and easy organization.

Please contact Ken Strong Productions at 574-518-5188 or at QueenOfLakes@kenstrong.com with any questions or concerns. We look forward to meeting you on June 4th.

Here's a quick checklist to help you prepare for your video interview:

- 1. Dress for success and have your hair/make-up ready for the cameras. Remember, these video interviews and photographs will be playing in the background while you are on stage. Feel free to bring 1-2 changes of clothing to allow a variety of looks throughout your video/photo montage.
- 2. Bring along your signed video consent form.
- 3. Bring 6-10 personal photographs in digital format.
- 4. Bring along any digital video clips you would like included. (optional)
- 5. Keep eye contact with the interviewer through the interview. There will be multiple cameras from different angles recording your interview. Keeping eye contact with the interviewer will help you keep your focus and prevent your eyes from shifting from camera to camera.
- 6. Answer all questions in complete sentences. The audience will not hear the question being asked. They will only hear your answer. For example, for the question "What Lake are you representing in the pageant?" a complete answer would be "I am representing Webster Lake".
- 7. Speak loud and clear. Have no fear if you stumble on your words or lose your train of thought. You will have an opportunity to go back and re-record as needed.
- 8. Be prepared to have fun with it! The video interview is not a high-pressure setting. Relax and let your personality shine through. The pageant audience wants to know more about you. This is your chance to tell them who you are.

Here are some sample Video Interview Questions:

1. What is your name, where are you from, and what Lake are you representing in the pageant?
2. Why have you become a contestant in the Queen of the Lakes Pageant?
3. What are your plans for the future?
4. What do you enjoy doing in your spare time?
- *5. Is there anything you would like to share about your Theme wear?*
- *6. Is there anything you would like to share about your Evening Gown?*
7. What is your hidden talent or something most people don't know about you?
8. Who or what has been your greatest inspiration?

****Please ONLY share about your theme wear attire or evening gown if you are 100% certain of your selection. Your interview is edited weeks prior to the pageant and, therefore, last minute changes are difficult to make. Almost every year, at least one contestant will make a last minute change in her dress and will be walking across the stage in one dress while she is describing an entirely different dress. Don't be that girl!***
